

Parry Sound Anglers & Hunters Inc.

January 22nd, 2023

Fellow members:

We hope this note finds you well and you and your families are safe and healthy.

As we begin a new year, we kindly remind you to renew your membership for the 2023 year to allow continuation of services without interruption. We're pleased to inform you fees will remain the same with membership covering the period of January 1st to December 31st of each calendar year. Renewal can be made online at <https://psah.org/form/> with payment using *Interac* e-Transfer to treasurer@psah.org or cheque options. Further information is available on the renewal form.

Fees collected from our members are used towards ensuring the safety of our members through maintenance and improvement of our facility. We also give generously to not-for-profit and charity organizations such as the Salvation Army and Georgian Bay Biosphere to name a few.

It doesn't end there, our Executive Committee along with dedicated volunteers are working behind the scenes to offer a series of events in the new year that is inclusive of everyone in the family. This is in addition to the ongoing work raising conservation awareness, keeping the grounds in working order and delivering safety training courses.

Lots to look forward to and we hope to see you soon. On behalf of the Parry Sound Anglers and Hunters club, thank you for your ongoing support.

Bruce Hatt

President
Parry Sound Anglers and Hunters
