

2023 PSAH & PSPC Membership Types

PSAH Membership

This membership allows access and use of the archery, rifle, and shotgun ranges along with participation in all club social activities.

Minimum Requirements for PSAH Individual membership:

- Valid PAL (Possession and Acquisition License)
- Age 19 or older

PSAH Associate Membership:

- No age requirement
- Does not require a valid PAL (Possession and Acquisition License)

PSAH Family package: This membership is recommended when more than one individual in a household wants to join the club. Limited to two adults 19 years or older and a maximum of 4 children under the age of 19.

PSPC Membership

This membership provides all the value of the PSAH membership with the added access to the pistol range and action shooter activities.

Minimum Requirements for PSPC Individual membership:

- Valid RPAL (Restricted Possession and Acquisition License)
- Age 19 or older

PSPC Family package: This membership is recommended when more than one individual in a household wants to join the club. Limited to two people 19 years or older and a maximum of 4 children under the age of 19.

- Only members under the family plan with a valid RPAL will have access to the pistol range. Other family members will fall under the PSAH family package under the Associate membership.
